

Gilwell Reunion Grant Policy

Version 1 (1st May 2023)

Basingstoke East District Scouts is trialling a grant to help with the cost of attending Gilwell Reunion for 2023. Reunion is a HQ event which brings together volunteers from across the world to learn, discover and network. We would like to encourage attendance at this event and therefore have set aside a budget to support this.

Who is eligible?

To be eligible to claim this grant towards the event, the attendee must have a membership role dated at least 3 months before the date of the event. A membership role is defined by the roles table within POR section 16 as minimum membership. This means roles such as occasional helpers are not eligible. That role must be within Basingstoke East District or one of its groups. All getting started training, mandatory ongoing learning and disclosures should be completed at the time of application.

How much is the grant?

We are not able to predict uptake on this contribution so for the purpose of this trial a £400 budget has been agreed by the board of trustees to support this. Therefore up to 50% of each persons ticket cost can be claimed. The exact amount will be determined by sharing the total pot between all applicants after the cut off date to apply which is 30th June 2023.

Can multiple grants be used?

You can use this in conjunction with other grants or contributions, for example your group may also contribute but you must not claim more than the cost of your total ticket value across various grants.

What can the grant be used for?

This grant is towards the cost of Reunion tickets only. The event ticket includes entrance and camping.

How to claim

Once your ticket has been purchased please complete the claim form on our Adult Support Website and attach your booking confirmation.

Queries

Any queries relating to this policy should be directed to the District Commissioner(s)

This policy has been created to support the budget agreed by the board of trustees on 26th January 2023.
